Bureau**

**Report of the Trustees  
for the Year Ended 31 March 2021**

The trustees present their report with the financial statements of the charity for the year ended 31 March 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The charitable purposes are:

- the advancement of education;
- the advancement of health;
- the advancement of citizenship or community development;
- the relief of those in need by reason of age, ill health, disability, financial hardship or other disadvantage.

The organisation has been formed to benefit principally the area of West Dunbartonshire (the "area of benefit") with the following charitable objectives:

- the advancement of education through, but not limited to, providing individuals with information, clarification and understanding of legislation and their legal rights and responsibilities;
- the relief of those in need through, but not limited to, (i) assessing individuals' entitlement to welfare benefits; (ii) providing assistance in claiming benefits; and (iii) assisting individuals to appeal against refusal of benefits;
- the advancement of health through, but not limited to, providing a comprehensive advice service which seeks to address individuals' problems and thereby alleviates the injury to health, stress and anxiety caused by unsolved problems; and
- the advancement of community development through, but not limited to, recruiting, training and developing local citizens to be volunteers in and for the Bureau, who in turn assist members of the public within the area of benefit, and in doing so contribute to the development of the area of benefit.

**Public benefit**

The charity meets the definition of a public benefit entity under FRS 102.

**Volunteers**

In accordance with FRS 102 and the Charities SORP (FRS 102), the economic contribution of general volunteers is not recognised in the financial statements as this cannot be reliably measured.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

**Review of activities**

On 8 January 2021, the incorporated charity changed legal status to a Scottish Charitable Incorporated Organisation (SCIO).

In the year 2020 / 2021, West Dunbartonshire Citizens Advice Bureau advised and assisted 3,465 clients. This involved dealing with 21,089 social welfare issues, generating client financial gains (including debt write-offs) of £1.2m. All these numbers are lower than in previous years - a direct result of the Covid-19 lockdown imposed in March 2020.

Like many organisations we were confronted by unexpected upheaval wrought by Covid-19. The early months of the year under review involved fundamental changes to our way of working. We had to ask our volunteers to step back, our staff had to adjust to working from home, we had to close our offices to the public and switch to multi-channel service delivery. At the time of writing, we are moving out of lockdown, but we still face a great deal of uncertainty as we continue to follow government guidance and we attempt to meet the changing needs of our clients.

**FINANCIAL REVIEW**

**Financial position**

The financial statements show the overall position of the charity as at 31 March 2021, its incoming resources and the application of these resources for the year ended that date.

Income received during the year totalled £630,260 (2020 - £556,081) and expenditure totalled £599,342 (2020 - £548,101). A surplus of £30,918 was generated compared to a surplus of £7,980 in 2020.

**West Dunbartonshire Citizens Advice  
Bureau**

**Report of the Trustees  
for the Year Ended 31 March 2021**

**FINANCIAL REVIEW**

**Principal funding sources**

The charity is largely dependent on the local authority as a key funder. In addition to core funding, where possible the charity seeks to attract additional funding from trusts and charities. Funding is received from Citizens Advice Scotland to deliver contracts awarded by Scottish and UK Governments. However, the principal funders remain West Dunbartonshire Council, West Dunbartonshire Community Planning Partnership and Scottish Government agencies.

**Reserves policy**

The Trustees believe that the charity should hold financial reserves in order to ensure that the charity can continue to operate and meet the needs of clients in the event of unforeseen, and potentially damaging, financial circumstances arising. The Trustees therefore consider that the present level of reserves is sufficient to meet requirements of the charity.

The level of reserves as at 31 March 2021 total £146,733 made up as unrestricted reserves £112,503 and restricted reserves £34,230. Within unrestricted and restricted reserves, £941 and £4,408 respectively, equate to the net book value of assets which will only be distributable when the assets are disposed of.

**Risk management**

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate our exposure to the major risks. Risk assessments are made on a regular basis.

**FUTURE PLANS**

As with our activities in the year, our future plans are impacted by the pandemic and the lockdowns which followed. As we embark on the gradual move towards normality, we have to reflect on the lessons we learned during lockdown and the benefits of the changes we made. Although many of these adjustments were forced on us by circumstances, there can be no doubt that the transformation in how we operated throughout lockdown brought many benefits including to those clients who hadn't previously been in a position to access the CAB service locally. It has become apparent that the development of multi-channel service delivery, including Livechat, video appointments, etc., has been of great benefit. By contrast the withdrawal of the drop-in service and the impact on regular service users - clients who have relied on the face-to-face service for many years - must be considered as we move forward.

In considering our strategy, priorities will have changed in light of our experience of Covid-19 and the lockdown. However, the focus remains on how we take West Dunbartonshire Citizens Advice Bureau forward:

- we will aim to consolidate the changes we have made to ensure that West Dunbartonshire Citizens Advice Bureau continues to meet the needs of local people. This will involve harnessing the benefits of technological developments and building on what we learned during the period under review;
- like many volunteer engagers we have seen volunteer numbers depleted as volunteers have drifted away from the service. A major priority will be the recruitment, training, coaching and induction of volunteers to deliver evolving multi-channel services;
- we will continue to support staff and volunteers in the adjustment to hybrid-working and by addressing the implications of remote working;
- traditional partnerships will be reviewed and we will consider new ways of working;
- we remain committed to the delivery of a quality service - whilst the changing landscape presents challenges it also affords us some opportunities to ensure that the service becomes even more accessible.

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Governing document**

West Dunbartonshire Citizens Advice Bureau is a Scottish charitable incorporated organisation (SCIO) and registered as a Scottish charity, charity number SC002558. The charity was formed on 13 July 2000. On 8 January 2021, this SCIO was incorporated as a result of the conversion of a charitable company (Company name: West Dunbartonshire Citizens Advice Bureau, company number: SC209080). It was formed under a Constitution which established its objects and powers.

**West Dunbartonshire Citizens Advice  
Bureau**

**Report of the Trustees  
for the Year Ended 31 March 2021**

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Recruitment and appointment of new trustees**

The Board of Trustees are elected annually from its membership. There are two categories of membership; member trustee and co-opted trustee. The maximum number of charity trustees is more than 16; out of that no more than 13 shall be member trustees and no more than 3 shall be co-opted trustees. At any given time, no more than 50% of the charity trustees in office may be volunteers working for the Bureau. A person will not be eligible for appointment to the Board if they are an employee of the organisation. West Dunbartonshire Council may elect, from its members, a Councillor who is willing to so act as a charity trustee with voting rights. The minimum number of charity trustees is no less than 5.

**Organisational structure**

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Constitution. The Bureau Manager is responsible for all operational aspects of the organisation.

The Bureau Manager provides regular written reports to the Board of Trustees which is responsible largely for the strategic management of the organisation. The Board also focuses on policy-making and the oversight function. In the period covered by this report there were four sub-committees active within the Bureau. These were:

- the Staffing sub-committee
- the Finance sub-committee
- the Governance sub-committee
- the Development Working Group

The nature and composition of these sub-committees can change as a result of external influences and/or changing needs. The powers of Trustees are as detailed in the Constitution.

**Induction and training of new trustees**

It is a requirement of membership of the Board of Trustees of West Dunbartonshire Citizens Advice Bureau (CAB) that each new trustee agrees to undertake induction training. Induction training for the Trustees includes the following:

- aims and principles of the CAB service
- summary of legal responsibilities of the Board
- trustees' responsibilities
- the role of sub-committees
- responsibilities in relation to staff and volunteers
- how West Dunbartonshire Citizens Advice Bureau services are organised
- quality management issues
- responsibility for planning and finance
- compliance risk issues

Induction training is conducted in-house, with occasional supplementary training for Trustees provided by Citizens Advice Scotland.

**Key management remuneration**

The Board of Trustees do not consider any one individual to have responsibility as key management.

**Wider network**

West Dunbartonshire Citizens Advice Bureau is a member of Citizens Advice Scotland and Trustees receive professional advice from Kirsty Noble, CAS Development Officer. West Dunbartonshire Citizens Advice Bureau received core funding from West Dunbartonshire Council which is entitled to be represented at Board meetings. Meetings are also attended by West Dunbartonshire Council's nominated Monitoring Officer.

**Related parties**

One Trustee is employed as the Leader of West Dunbartonshire Council, who are principal funders of the charity. The Trustees have put policies in place to manage any conflict of interest.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

**West Dunbartonshire Citizens Advice  
Bureau**

**Report of the Trustees  
for the Year Ended 31 March 2021**

**STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued**

The law applicable to charities in Scotland, the Charities and Trustee Investment (Scotland) Act 2005, Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution, requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Statement as to Disclosure of Information to Auditors**

So far as the Trustees are aware, there is no relevant audit information of which the charity's auditors are unaware, and each Trustee has taken all the steps that they ought to have taken as a Trustee in order to make themselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

**Auditors**

The Auditors, Gillespie & Anderson, Chartered Accountants, Statutory Auditors, have expressed a willingness to continue in office.

Approved by order of the board of trustees on 13 September 2021 and signed on its behalf by:

Mrs I MacDonald - Trustee

**Report of the Independent Auditors to the Trustees of  
West Dunbartonshire Citizens Advice  
Bureau**

**Opinion**

We have audited the financial statements of West Dunbartonshire Citizens Advice Bureau (the 'charity') for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2021 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and Regulation 8 of the Charities Accounts (Scotland) Regulations 2006.

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

**Other information**

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities Accounts (Scotland) Regulations 2006 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**Report of the Independent Auditors to the Trustees of**  
**West Dunbartonshire Citizens Advice**  
**Bureau**

**Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

**Report of the Independent Auditors to the Trustees of**  
**West Dunbartonshire Citizens Advice**  
**Bureau**

**Our responsibilities for the audit of the financial statements**

We have been appointed as auditors under Section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach and assessment were as follows:

The engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations.

Enquire of management and review supporting documentation concerning the charity's policies and procedures relating to:

- identify, evaluate and comply with laws and regulations and their awareness of any instances of non-compliance;
- detect and respond to the risks of irregularities, fraud and their knowledge of any actual, suspected or alleged fraud;
- internal controls established to mitigate risks related to, unusual items, fraud or non-compliance with laws and regulations.

Obtain an understanding of the legal and regulatory framework that the charity operates in, focusing on those laws and regulations that had a direct effect on the financial statements or that had a fundamental effect on the operations of the charity. The key laws and regulations we considered in this context included the Charities and Trustee Investment (Scotland) Act 2005, Scottish Charitable Incorporated Organisations Regulations 2011 and the applicable Statement of Recommended Practice (SORP) together with health & safety regulations, employment legislation and data protection legislation.

Discuss among the engagement team how and where irregularities might occur in the financial statements and potential indicators of fraud. Identify potential audit risks in relation to income recognition, authorisation of expenses and possible management override of controls.

Communicate relevant identified laws and regulations and potential irregularity risks to all engagement team members and remain alert to any indications of unusual items, fraud or non-compliance with laws and regulations throughout the audit.

Review all Minutes of Meetings of those charged with governance, Reports and correspondence with HMRC and legal advisers.

Perform audit testing which covers the audit assumptions of: existence, completeness, rights and obligations, accuracy and valuation in respect of income recognition and expenditure incurred.

Evaluate the overall presentation, structure and content of the financial statements, including disclosures, by performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to an irregularity or fraud. Agree financial statement disclosures to underlying documents.

Assess whether the financial statements represent the underlying transactions and events in a manner that achieves compliance with relevant laws and regulations.

To address the risk of fraud through management override of controls and management bias, we: assess the rationale behind significant or unusual transactions identified through audit testing and assess where management judgement used in determining accounting estimates were indicative of potential bias.

**Report of the Independent Auditors to the Trustees of**  
**West Dunbartonshire Citizens Advice**  
**Bureau**

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Regulation 10 of the Charities Accounts (Scotland) Regulations 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**West Dunbartonshire Citizens Advice  
Bureau**

**Notes to the Financial Statements  
for the Year Ended 31 March 2021**

**1. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS102) 'Accounting and reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', The Financial Reporting Standard 102 'The Financial Reporting Standard applicable in UK and Republic of Ireland', the Charities and Trustee Investment (Scotland) Act 2005 and the Scottish Charitable Incorporated Organisations Regulations 2011. The financial statements have been prepared under the historical cost convention.

**Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. There are sufficient cash resources and reserves at the year end.

Despite the ongoing issues of the Covid-19 pandemic and the lockdown restrictions, the management have continued operations throughout this period in compliance with covid regulations. They have accessed all available support which has been available at local and national levels. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

**Presentation currency**

The financial statements are presented in pound sterling (£), which is the functional currency of the charity.

**Critical accounting judgements and key sources of estimation uncertainty**

The Trustees have made judgements, estimates and assumptions that affect the amounts reported within the financial statements during the year. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. The Trustees estimates, assumptions and judgements that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the financial statements are addressed and detail is provided in the associated notes.

**Income**

Donations and legacies consists of donations, grants and legacies. Donations are recognised when the charity is entitled to the income, receipt of the income is probable and the amount can be measured reliably. Income from grants is recognised when the charity is entitled to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably. Legacy income is recognised when it is probable that it will be received and the amount has been quantified.

Charitable activities income is received for services offered as part of the charitable activities of the charity. Income from performance related grants is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliability.

Other income consists of income received which is outwith donations, legacies, charitable activities and other trading activities.

**Expenditure**

Expenditure has been classified under the headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of the resources.

Expenditure is recognised on an accrual basis when a legal liability is incurred, payment of the liability is probable and the amount can be measured reliably. The amount includes any VAT which cannot be fully recovered. VAT is reported as part of the expenditure to which it relates.

**West Dunbartonshire Citizens Advice  
Bureau**

**Notes to the Financial Statements - continued  
for the Year Ended 31 March 2021**

**1. ACCOUNTING POLICIES - continued**

**Expenditure**

Charitable activities comprise all resources expended undertaking work to meet the charity's charitable objectives. Such costs include the direct costs of charitable activities approved by the charity and all support costs relating to these activities. Governance costs include direct resources expended in the general running of the charity and are primarily associated with constitutional and statutory requirements. These costs are allocated entirely to charitable activities.

**Allocation and apportionment of costs**

Support costs are allocated wholly to charitable activities. Whilst the Trustees recognise that a small part of some items of expenditure included in support costs do relate to indirect governance costs, they are of the opinion that the time and costs involved in performing such an analysis outweigh the potential benefits arising from any such work.

**Tangible fixed assets**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- 25% on cost and 12.5% on cost
Fixtures and fittings	- 20% on cost
Computer equipment	- 33% on cost

All tangible fixed assets having a use by the charity greater than one year are capitalised where the individual cost of the asset is greater than £500.

**Taxation**

The charity is exempt from tax on its charitable activities.

**Fund accounting**

Funds are classified as either unrestricted fund or restricted funds, defined as follows:

Unrestricted funds are expendable at the discretion of the Trustees in furtherance of the objects of the charity. If parts of the unrestricted funds are earmarked at the discretion of the Trustees for a particular purpose, they are designated as a separate fund. This designation has an administrative purpose only and does not legally restrict the Trustees discretion to apply the funds.

Restricted funds are funds subject to specific requirements as to their use which may be declared by the donor or with their authority or created through legal process, but still within the wider objects of the charity.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

**Hire purchase and leasing commitments**

Rentals paid under operating leases are charged to the Statement of Financial Activities on a straight line basis over the period of the lease.

Rentals paid under operating leases are charged to Statement of Financial Activities on a straight line basis over the period of the lease.

**Pension costs and other post-retirement benefits**

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

**Financial instruments**

The charity has no complex financial instruments but does hold basic financial instruments of; cash at bank, debtors and creditors.

**West Dunbartonshire Citizens Advice  
Bureau**

**Notes to the Financial Statements - continued  
for the Year Ended 31 March 2021**

**1. ACCOUNTING POLICIES - continued**

**Financial instruments**

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. A bank overdraft would be shown within current liabilities.

Debtors are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less losses for bad debts except where the effect of discounting would be immaterial. In such cases, trade and other debtors are stated at cost less losses for bad debts.

Creditors are initially recognised at fair value and subsequently measured at amortised cost using the effective interest rate unless the effect of discounting would be immaterial. In such cases, trade and other creditors are stated at cost.

**Employee benefits**

The total cost of employee benefits to which employees have become entitled as a result of service rendered to the entity during the reporting period are recognised and charged to the statement of financial activities in the period to which they relate.

**Volunteers**

In accordance with FRS 102 and the Charities SORP (FRS 102), the economic contribution of general volunteers is not recognised in the financial statements as this cannot be reliably measured.

**Provision for liabilities**

A provision is initially recognised when there is an obligation at the balance sheet date as the result of a past event, it is probable that there will be the transfer of funds in settlement and the amount of the obligation can be estimated reliably. The provision is subsequently measured by placing a charge against the provision only for expenditure for which the provision was originally recognised.

**Unrestricted Fund**

Advice & Representation Fund represents funds to operate the core objectives of the charity.

**Restricted Funds**

Consortium Project represents the provision of advice and information outreach service at two separate housing associations - Bellsmyre HA and Cordale HA.

Community Jobs Scotland Fund represents funds received to enable the recruitment of an admin apprentice.

Financial Health Check Fund represents funds received to enable a project to be delivered to support for advice regarding individuals financial affairs.

Local Energy Advice Project (LEAP) represents a project to raise energy awareness and energy efficiency in the area.

Patient Advice Support Service represents advice and support offered to NHS patients concerned or unhappy about the services provided to them by the NHS.

Pensionwise Project represents the provision of a free and impartial service assisting people to understand the new options introduced by the government regarding pensions.

Power of Attorney Fund represents funds received to raise awareness of the purpose and needs for a Power of Attorney to be set up. This fund was closed in the year to 31 March 2021.

**West Dunbartonshire Citizens Advice  
Bureau**

**Notes to the Financial Statements - continued  
for the Year Ended 31 March 2021**

**17. MOVEMENT IN FUNDS - continued**

Short Term Debt Fund represents funds received to support the provision of advice to individuals in respect of short term debt.

Universal Credit Fund represents funds received to provide support to individuals regarding universal credit.

Welfare Reform Project represents funds received for recruitment of two Benefit Information Workers. These workers are responsible for assisting and supporting volunteers and vulnerable benefit claimants.

Brexit Fund represents funds received to provide information and support, including immigration advice, to help individuals, particularly for EEA nationals, to understand how they are affected by immigration rules as a result of the UK leaving the EU.

Flooding Resilience Fund represents income received to participate in a national campaign and provide information and support to make individuals aware of how they can prepare for potential flooding and how to deal with the aftermath of a flood. This fund was closed in the year to 31 March 2021.

Covid Fund represents income received to support the bureau through the Covid-19 pandemic.

Post Christmas Debt Fund represents income received to support advice for managing debt incurred over the Christmas period.

Post Covid Debt Fund represents income received to support advice for managing debt incurred due to the consequence of covid and the associated impact on finance.

Energy Hardship Fund represents income received to support advice on the energy prices to those with low income affected by high energy costs.

**18. EMPLOYEE BENEFIT OBLIGATIONS**

The charity operates a defined contribution pension scheme. The assets of the scheme are held separately from those of the charity in an independently administered fund. The pension cost charge represents contributions payable by the charity to the fund and amounted to £19,009 in the year (2020 - £17,704). As at 31 March 2020 and 2021 there were no outstanding pension contributions included in accrued charges.

**19. RELATED PARTY DISCLOSURES**

One trustee, J McColl, is an elected Councillor of West Dunbartonshire Council, who are principal funders of the charity. This trustee holds the position of Leader of West Dunbartonshire Council and therefore holds a position of influence and power over funding allocations. The total amount received from West Dunbartonshire Council in the year to 31 March 2021 was £394,705 (2020 - £385,720). The Trustees are aware of this and have put appropriate policies and safeguards in place to manage the conflict of interest.

There were no donations made to the Charity by Trustees during the year (2020 - £nil).
